

Tony Arteaga

Orange County, CA · [LinkedIn](#) · tony-art.com

Technical GTM leader with 20+ years building and scaling pre-sales, solutions, and revenue teams. Former CRO who grew enterprise SaaS to \$100M+ ARR through technical discovery, POC execution, and C-level engagement. Deep experience with Fortune 500 accounts across financial services, healthcare, and retail. Stanford AI/ML certified (NLP, ML, Computer Vision); hands-on with Python, PyTorch, LLM architectures, and GenAI deployments. Proven ability to build and scale technical teams from 0→50+ in fast-moving environments.

Experience

AI/ML Intensive & Career Transition

Jan 2023 – Present

Independent · Orange County, CA

- Completed Stanford AI Professional Program — 4 graduate-level certificates in ML, NLP, and Computer Vision
- Built production-ready prototypes: RAG systems, ML pipelines, multi-agent workflows
- Deep study of transformers, attention mechanisms, diffusion models, and vision architectures
- Hands-on Python/PyTorch implementation; created 200+ page technical study guides

Chief Revenue Officer / SVP — Sales, Marketing, Digital, P&L

Jan 2019 – Dec 2022

OceanX, LLC · El Segundo, CA

- Built and scaled Sales, Pre-Sales, and Marketing teams from 0→1→N (15+ people); owned GTM strategy and execution
- Led technical discovery and solution scoping for enterprise accounts; negotiated \$1M+ C-level contracts
- Delivered 30%+ YoY ARR growth for three consecutive years; scaled to \$100M+ ARR
- Partnered with Product and Engineering to prioritize roadmap based on customer feedback and use cases
- Served as executive sponsor for strategic accounts; advised on platform adoption and integration strategies
- Presented to Board and PE investors; represented company at industry conferences

VP Digital & eCommerce (+Strategy)

Feb 2016 – Jan 2019

OceanX, LLC · El Segundo, CA

- Built and led technical/e-commerce team; owned platform architecture, strategy, and customer delivery
- Architected and launched cloud-native (AWS) subscription commerce SaaS platform — PCI Level-1 compliant
- Led technical integrations and API implementations for enterprise retail clients
- Drove platform migrations and optimizations reducing cart abandonment by 25%

VP — Sales & Marketing Tech, Operations & Supply Chain Systems

Jun 2011 – Jan 2016

Guthy|Renker · Los Angeles, CA

- Principal Solutions Architect for \$5B enterprise; led sales, mar-tech, and supply-chain platform strategy
- Built and managed technical teams (50+ FTEs + offshore); delivered enterprise-scale integrations
- Drove AWS cloud migration for marketing, BI, and ERP systems across the organization
- Achieved highest manager score company-wide; recognized for technical mentorship and team development

Managing Director — Digital/E-commerce, Marketing Tech, Software & Architecture

Sep 2001 – Jun 2011

Tribune Media (LA Times, Chicago Tribune, +6 BUs)

- Led distributed Solutions Architecture and Engineering teams (LA & Chicago) across 8 Fortune 500 business units
- Directed \$20M+ in enterprise projects including e-commerce platforms and Salesforce rollout to 600+ sales team
- Drove technical enablement and platform adoption across sales organization
